REPORT CARDS

Today all children in Years 1 to 6 brought home Report Cards for the first time. The report card will provide you with information on attendance and National Curriculum Levels. The levels will tell you where your child is at this Mid Point and what their target level is for the end of the year.

GOVERNOR VACANCY

Today ballot forms have been circulated for the parent governor vacancy. We have sent home 2 voting slips per family in order to give both parents the opportunity to vote. We would really appreciate it if a ballot form could be passed on to any parent who does not permanently reside with their child.

PAINTING PARTY

Thank you to the families who responded to the CHADRA appeal. A date will be set in the summer term and will appear in future newsletters. If anyone else would like to get involved please let us know.
