### PARENT / TEACHER MEETINGS

As you may be aware the school is reviewing the safety & security procedures we use. Part of these changes is to ensure that **any** visitor to the school is easily identifiable to children and staff. We do this by supplying visitors with badges when they sign in at the school office.

We still want to be accessible to parents and we want to encourage you to come in to speak to a teacher should you have concerns or urgent information the teacher should know. If this is the case please can you report to the office where you will either be signed in or the teacher will come over to speak to you. If a teacher is unavailable then a message can be relayed through the office or an appointment made to meet at another time.

As a guide in the mornings teachers are usually available to meet parents between 8:00am & 8:30am. However after this time they are unavailable as they are setting up the classroom for the day.

After school teachers are usually available unless they are running a club or at a meeting
