IMPROVING SAFETY FOR OUR CHILDREN

Did you know that S. Glos Council are considering introducing a Part Time Advisory **20mph Speed Limit**? At school we think this is wonderful news! It will considerably improve safety outside our school.

We need your help and support to persuade the council to complete this important project. Click on the speed sign to be taken straight to the consultation OR go to the consultation website at <https://consultations.southglos.gov.uk>

THANK YOU!

MR LAWDAY'S CLASS OF THE WEEK

Butterfly Class.

Have showed impressive enthusiasm this week with their story writing. Take a look over the page!

LEARNING AT CHARFIELD

Grasshopper Class (Y2)

Grasshoppers are learning all about growing plants this term, including thinking about which seeds we eat and what they are like.

We made hummus using chick peas. Chickpeas are a type of pulse, with one seedpod containing two or three peas.

We tasted bread Charlie had made using wholemeal flour made from wheat. Wheat is a **cereal grain**. It is a major ingredient in such foods as bread, porridge, crackers, biscuits, Muesli, pancakes, pies, pastries, cakes, cookies, muffins and rolls. Yum! We love learning through cooking!

Charfield Community Fete Monday 2nd May, 12-5pm.

Attractions include:

- 7 meter climbing wall for ALL ages
- Donkey's
- Fun fair rides
- BBQ
- Bar
- Bouncy Castle
- BBC Radio Bristol broadcasting live from the event!
- Don't forget to view our school artwork too!

SMSA REQUIRED

We require an SMSA (School Meals Supervisory Assistant) to work with our children during lunchtimes. We are flexible about days and job-shares will be considered.

More details can be found on the school website vacancies section or alternatively pop into school to find out more.

OUTSTANDING LIBRARY BOOKS

Please could you check if you have any school library books at home and return them to school next week? We want to review the books we have available in our collection.

Head to www.easyfundraising.org.uk to fundraise for Friends of Charfield School now. Already registered? Spread the word to family and friends to let them know just how easy it is!

LEARNING AT CHARFIELD

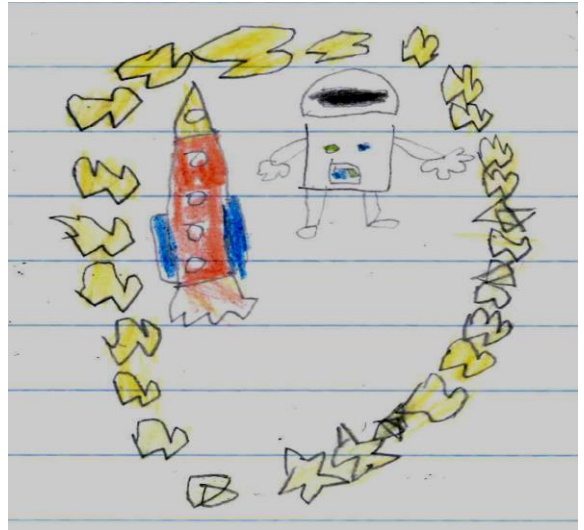

Butterfly Class (Y1)

Some lovely writing to entertain you during our extended weekend
A journey into space.

The dark adventure. 29.6.16

It was the warm morning of take off, I biked to the big space center. My mission was to find out what the shiny, white moon was made of. "Should I take crackers?" I said. When I got there I got drest. First I put on my spoty thimel then I put on my nappy, then I put on my cooling tube finally I put on my space suit. I carried my helmet to the space rocket. Secured my helmet and fastned my seatbelt the count down began 5!4!3!2!1! lift off. I was shaking like a volcano. And I blasted through the beautiful blue atmosphere. I took of my seatbelt gravity was gone. I landed on the shiny, white moon. I got out of my shiny, gold rocket. I drove on my space buggy. I found diamond suet in some moon rock. I took a handful of them home. "I complied my mission." I said. Then I blasted back down to Earth.

CHARFIELD COMMUNITY NOTICES
