LEARNING AT CHARFIELD

Grasshopper Class
(Y2)

Grasshoppers have been investigating plants. We have carried out three investigations! We thought about how to find out whether plants need leaves to grow well, whether the amount of water plants have affects how they grow, and how to prove that water is transported through the stem to the other parts of the plant. Next week we will have a visitor from Waitrose to help us understand how plants that we eat are grown and sent to the supermarket.

BRILLIANT BUMBLEBEES

This week I have watched in awe as the Year 6's completed their SAT's **THEY WERE BRILLIANT!** I am very proud of the effort and attitude each and every Bumblebee showed.

You're Special!

Enjoy your weekend Bumblebees – You certainly earned it this week

WELL DONE!!!!

MR LAWDAY'S CLASS OF THE WEEK

The 'Class of The Week' trophy goes to **Bumblebee** class for being just brilliant! HOWEVER, I would also like to say a big thank you to all the other classes for their cooperation and consideration towards Bumblebees during this week.

TOMS TUCK – Y6 FUNDRAISER FOR NEPAL EARTHQUAKE

Today our very caring Year 6's ran their Tuck-shop with all proceeds going to the DEC to support victims of the Nepal Earthquake. I cannot express in words how proud I am of these pupils. Well Done Tom W, Joe P, Emily C, Sam D, Mackenzie H, Matthew M, Morgan N, Rhiannon G and Megan W.

I would also like to thank Freya B & Lauren J for donating their Loom-band earnings towards the appeal also – Your hard work will help people in need.

We will post the total amount in the Newsletter next week.

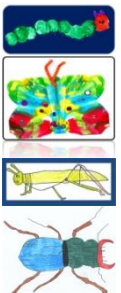

SCHOOL PHOTOS - UPDATE

The photographer has confirmed that class photos will be sent out after the holiday.
