TEAM SUPER SCHOOLS EVENT

Just a reminder that the children will be taking part in a series of sporting activities organised by Year 6, so please feel free to wear a PE kit to school in the morning for the whole day! Be mindful of the weather being a bit chilly and maybe consider jogging bottoms and a tracksuit top.

COFFEE MORNING

Coffee Morning with Supportive Parents - The South Glos parent partnership for children with special educational needs.

If your child has SEN and you haven't heard of them, think about coming along for a chat. They are a parent led organisation that provide a confidential and independent parental support service to parents/carers for children with any kind of special educational need. We are lucky to have the local Coordinator - Anne Jerrom coming to Charfield on Friday 2nd July at 9am. Initially this has been set up by the Parents Dyslexia support group, so if you would like to come and have an informal chat about dyslexia or any other SEN needs, please come along. The venue is yet to be confirmed, this will be dependent on numbers, so please could you let us know if you would like to attend by Friday 25th June. Please contact Debbie Riddle, Nicola Bartrop or leave a note in the school office.

SUMMER FAIR

This year the school summer fair is next Saturday 19th June. The school fair will include all the usual

attractions and a few extras that you may have seen at the Village Fair.

The friends are after any old (good condition) school uniform, jumpers, fleeces skirts and trousers etc, that you have lying around and that you don't need anymore, that we could sell at the summer fair, also any old children's books that your children may have outgrown. There will be a box in reception for any donations, Many thanks,

The Friends.

FRIENDS BIKE CHALLENGE

You may remember 2 years ago a few mums cycled 50 miles to raise funds for our school. We are extremely proud to announce that these mums and 1 dad have volunteered to do this challenge again! This time they are to cycle sixty miles to raise funds for a 16 laptops, wireless network and a secure laptop trolley. The challenge will take place on Saturday 3rd July, please support them by sponsoring them in this challenge. Any amount of sponsors would be fantastic.

We would just like to say a big thank you to all of those who sponsored us yesterday, but a special thank you must go to the year 6 mums who did not think twice about putting pen to paper, even though (and it did not occur to us at the time) that your children will not be benefiting from the portable ITC suite, so thank you.

We will be in the playground a few more times before we set off on our tour and we have decided to start at 7am not 9am leaving us plenty of time to complete our challenge!
