LAST GOLDEN TICKET FOUND

By Jodie

The 5th golden ticket on planet earth has just been found by a poor boy called Charlie Bucket. It was found in a bucket just one day before the tour.

7 year old Charlie was proud to say "I'm so glad to get the 5th golden ticket. I never had so much!" Charlie Bucket said that he was going to take Grandpa Joe who used to work at Wonka's for 20 years.

The golden ticket was found in a local shop. The ticket was inside a Wonka wallpaper - sudge mallow delight. Grandpa Joe was glad to say "I know Charlie could find one as the 5th golden ticket was Charlie's dream. There are no more golden tickets remaining anymore."

Lots of details and great quotes!
