LEARNING AT CHARFIELD

Caterpillar Class (YR)

Caterpillar class are learning about "the seaside" this term! They have been busy creating ice-cream artwork! They thought about the colours needed for different flavours and added flakes and sprinkles on the top! Their ice-cream decorations look lovely inside our ice-cream shop role-play area!

I hope those of you who chose to watch the match, enjoyed the opportunity to cheer on England as a family. As a Welshman..... congratulations on your win.

EURO FUN

Hidden in this Newsletter are footballs. The first person to email (admin@charfieldschool.org.uk) with the correct number of hidden balls will earn an additional 10 points for the team of their choice! Good Luck!

Shuffle Up Day

Your child will be spending the day with their class teacher for September on Tuesday 5th July 2016. This will be an opportunity for your child to spend the day with their new teacher in their new classroom

MR LAWDAY'S CLASS OF THE WEEK

I am awarding this week's award to **Bumblebee Class**.

The class were very considerate this week when they heard Miss O'Sullivan wouldn't be in due to an injury. They really rallied around, making a card for her and getting on with their work independently in other classes. They also had lots of praise for being helpful and considerate towards the younger children.

SMSA REQUIRED

We require an SMSA (School Meals Supervisory Assistant) to work with our children during lunchtimes. We are flexible about days and job-shares will be considered.

More details can be found on the school website vacancies section or alternatively pop into school to find out more.

MUSIC LESSONS 16-17

We recently sent a letter out to children from Year 3 to Year 6 with details about which instruments are available to learn next year. For your information these are:

Violin, Trumpet, Cello, Clarinet, Guitar, Piano, Flute, Cornet, French horn, Trombone

We also offer recorder lessons to children in Year 2.

If you are interested in any of these and did not receive a letter please call into the school office for a booking form.

FOCUS WEEK – SPORT AND SCIENCE Monday 27th June – Friday 1st July

Our last focus week of the year is coming up. The theme is sporty science and it links science with PE. We have lots of exciting activities planned and more details are to follow.

On the Monday we would like to kick start the week by asking children to come in wearing their team's sports kit. Ideally this would be the kit of a club they play for. If this isn't applicable any sportswear is acceptable.

Dates for your diary				
DATE	DAY	START TIME	END TIME	EVENT
