HMI MONITORING VISIT 3

Our 3rd HMI monitoring Visit took place on Wednesday and Thursday of this week. As always our children were amazing; demonstrating their skills in learning and exemplary behaviour. We were pleased with the verbal feedback provided by the inspector and await his report. As with the previous visits, the report letter will be made available in a few weeks. At this point we will set a date for a parents' meeting to discuss the outcomes.

LEARNING AT CHARFIELD

This weeks' contribution comes from Ladybird class; who have been learning compact methods of division. They have also shown that we are really hitting targets with times tables knowledge and use them to check division calculations are correct! This example from Megan W has shown how well she can use this method. Good girl!

We need your out grown football kits please, read on for more details.....

Jacob and Reuben Edwards' Granny will be going on a trip to Africa (Namibia) in the summer and is planning on taking some supplies to some of the schools out there. It has been suggested that Football kits would be very gratefully received by the children out there.

If anyone has any used children's football kits that they would like to donate please pass on to Kath Edwards (at school drop off/pick up daily) before the May half term. (Friday 24th May)

Many Thanks.
