RE: Severe Weather

Dear Parents,

We have been informed by South Gloucestershire Council that our area is likely to experience severe weather over the next few days. Therefore I thought I would remind you how the school informs you if it is closed.

First Day of Closure – School Closed Before Start of Day.

The school will announce its closure in the following ways:

- Notification will be posted the Main Page of the school website (www.charfieldschool.org.uk) by 7:15 am
- Notification of the school's status will be on South Gloucestershire Schools Closure Page (<http://essential.southglos.gov.uk/schoolstatus/default.aspx>)
- Local radio (Radio Bristol / Heart) will broadcast if the school is closed.

First Day of Closure – School Closed During Day.

If the weather forced the school to close during the school day, we will contact individual parents using listed emergency numbers.

In order to help us be prepared please ensure your contact details are up to date.

Subsequent Days

In order to keep parents informed the school will follow the same procedures as above. However we will post regular updates on the school website as information becomes available

Many Thanks

Dafydd Lawday
